---

Effective this day, February 1, 2022, vehicles sold at auction **MUST** be registered into the new buyer's name within 30 days of purchase before any work is done on or to the vehicle.

If the vehicle is not registered within 30 days of purchase, and work is done on or to it before hand, Southside Wrecker is not liable for any incurred fees prior to registration.

Furthermore, if the vehicle is not registered into the new buyer's name within 30 days of purchase, and issues occur with registration paperwork, Southside Wrecker is not responsible for any buy back options or monetary returns.

Thank You!
